

If You Care Compostable Waste Bags

What makes us extra special? Our **certified** compostable food waste and trash bags are made from **potato starch** from non-GMO starch potatoes **blended with a certified, fully compostable polymer**. The potato starch used to make [If You Care Compostable Trash Bags](#) comes from **starch potatoes, which are not grown as a food source**, but only for starch production. **From food waste to food waste- full circle!** Making our bags from potatoes instead of corn like other brands **also conserves water**. **Potatoes require only rainfall & no irrigation-** spectacular spuds!
